

A, F & P Line

One design language for different public spaces.

The A, F and P series form a coordinated family of litter bins, ashtrays, bollards and dog-waste stations. Their compact geometric forms can be surface-mounted or anchored into paving.

30–45 L

LITTER-BIN CAPACITY

A · F · P

THREE COORDINATED SERIES

surface / anchor

INSTALLATION

metal / HDPE

DURABLE MATERIALS

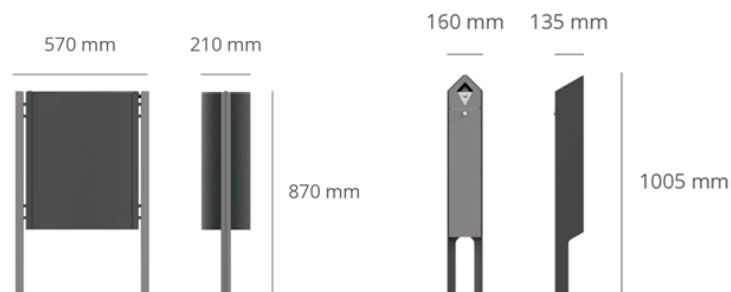

SUITABLE USE

- Historic streets
- Parks and public buildings
- Coordinated street-furniture projects
